

*Get longer life from your tires!*

**SAVE \$150**  
**OR MORE IN LIFETIME TIRE MAINTENANCE**

Rotating your tires will extend the life of your tires by up to 20%, while helping all four tires grip the road evenly. An average tire will need tire rotation service 8-10 times over its lifetime, adding additional tire maintenance cost of \$150 or more.

Included is Lifetime Tire Rotation every 6,000 miles! A savings of \$150 or more!

**INCLUDED** with your myTireShop purchase.
